Introducing The Norfolk Austin Seven Club.

The **Norfolk Austin Seven Club** was formed in January 2005, to foster interest in, the preservation of and use of Pre-War Austin Sevens, its variants, other Austin cars and old cars in general. At the end of December 2008 we had 86 joint memberships (joint members have equal voting rights in the club), with 110 Pre-War Austin 7s.

The Monthly Meetings are normally held on the evening of the 3rd Tuesday of each month, January through to November, from about 7.30 pm onwards, at the Village Inn at Little Melton, Nr. Norwich (just off the Norwich bypass at the junction with the Watton Road). The idea is to have a chat with friends who have a similar interest in Austin Sevens and old cars in general, over a convivial drink. If you have not had time for supper before coming out, why not have a very reasonably priced carvery meal at the Village Inn before the meeting? Talking of food, the December meeting is our Club Dinner and takes place on the 2nd Tuesday (instead of the 3rd Tuesday). If members would like to have a speaker or something else on a club night then we would be more than pleased to help them organise this.

During the year we have various roads runs around the county, and visits to interesting sights. To demonstrate the popularity of the Austin Seven, there are three other Austin Seven Clubs in East Anglia, and we have an annual "get-together", at Rougham near Bury St Edmunds, to "compete" in a totally arbitrary fashion, for the East Anglian Austin 7 Trophy. We will be holding our annual club rally at the Norfolk Gala Day at the Royal Norfolk Showground. We are only too willing to help members with what ever they want to do so that they can enjoy their A7 to the full. If you are looking for an Austin 7 we can help and if you need advice on repairs and maintenance we can help as well. For the more adventurous in May an annual road run to Holland is organised by a group of fellow Austin 7 enthusiasts.

The cost of membership to the Norfolk Austin Seven Club is still £12 per year. Each Membership is a "Joint Membership" for two people, who both have full club rights. The newsletter of the Norfolk Austin Seven Club, the Norfolk NA7ter, is sent out quarterly, either by post or via email. It is also thoroughly recommended that you subscribe for the quarterly magazine from the Austin 7 Clubs Association "The Grey Mag" as it is the source of a lot of useful information and only costs £6 per annum. Those members who are on broadband can receive copies of other Austin 7 Clubs magazines via email if they wish.

The Norfolk Austin Seven Club is a Member of the Austin Seven Clubs Association, which means that members of the NA7C are able to benefit from about reduced price rates of insurance cover for their Austin Seven from the Richard Hoskins Insurance Company, under their Classic Car Insurance Scheme. (The insurance for my 1931 Austin 7 costs £49 for unlimited mileage and UK/Europe breakdown recovery)

The Norfolk Austin Seven Club is also a member of the Association of Norfolk Car Clubs, which is a group of some thirty car clubs and who organise two annual get-togethers (a barbeque in July and a drive-in evening in June) and circulates details of all the various car rallies in the Norfolk / Suffolk region throughout the year.

We have a Club Car Valuer who can value members' car, on a club night, by prior arrangement through the Club Chairman, for a nominal charge of £10 (which will go towards club funds).

If you would like to join us, please fill in the enclosed Membership Application and return it to me.

Kind regards

Matt Dingle.

Membership Secretary.
